Training

Promoting Diversity and inclusion in the workplace

Duration: 1 day

Whose is this for?

Aimed at everyone who wants to work in a more diverse and inclusive workplace and is seeking ideas and connections to achieve that.

Content:

- The benefits of an inclusive and diverse approach to organisational success
- Defining diversity and culture
- Protected characteristics and the law
- Clarifying areas of unconscious bias and what to do about it
- Identifying and calling out behaviour in the workplace that cultivates a non-inclusive environment
- The drivers and resisters to building a diverse and inclusive workplace and actions we can take to get there faster together

Delivery:

We can deliver this course either on a 1:1 or Group basis with a choice of virtual or face to face delivery (we can even tailor the content to suit your culture, values, branding etc)
