Training

Working in an Agile Workplace

Duration: 1 day

Whose is this for?

Aimed at all those who work in different buildings, those where agile workplaces have been installed and those who work remotely.

Content:

- discussing why your business is introducing Agile working and what's driving it
- Defining what the potential benefits are to you and the teams you work in
- Defining what challenges you perceive
- Discussing mindset and filters and how you get more of what you are looking for
- Tools to deal with the pragmatic needs wherever you are working (bags, lockers, desk booking within teams etc)

Creating your personal plan to maximise the opportunity and minimise disruption to your day.

Delivery:

We can deliver this course either on a 1:1 or Group basis with a choice of virtual or face to face delivery (we can even tailor the content to suit your culture, values, branding etc)
